

IEEE International Symposium

On

Sustainable Energy, Signal Processing & Cyber Security

(IEEE-iSSSC 2020),

December 16 – 17, 2020,

IEEE Conference Record #50941

Organized By

Department of EE & EEE

School of Engineering & Technology

GIET University, Gunupur, India

Best Paper Award of IEEE-iSSSC 2020

IEEE
KOLKATA SECTION

- [1] The Best Paper Award for Track 01 goes to Paper ID: **193**, With Title: **“A HYBRID ISLANDING DETECTION METHOD CONSIDERING VOLTAGE UNBALANCE FACTOR”** from **“VSSUT BURLA”** Odisha, India.

- [2] The Best Paper Award for Track 02 goes to Paper ID: **95**, With Title: **“Gaussian Mixture Model and Color Separation Models for the Arc-Flashover Detection”** from **National Institute of Technology, Goa, India**

- [3] The Best Paper Award for Track 03 goes to Paper ID: **166**, With Title: **“Energy-Efficiency Analysis of Cognitive Radio Network with Improved Energy Detectors and SC Diversity over Nakagami-q Fading Environment”** from **Marri Laxman Reddy Institute of Technology and Management Hyderabad, Telangana**

*The Prize includes Best paper Certificate and Gift Voucher of worth **INR 3000**. All the winners will receive a digital certificate and winning prize within a week from now.*
